

# Capital Area New Mainers Project

The Capital Area New Mainers Project is a cross-cultural organization that welcomes immigrants and works to create a thriving, integrated, multicultural community in central Maine.

Based in Augusta, CANMP embraces immigrants as "New Mainers" who bring much-needed diversity, energy, and vitality to our area. With robust programs and a strong network of volunteers, we aim to:

- **Cultivate personal relationships:** We give immigrants and local community members the opportunity to meet, share experiences, and build lasting relationships.
- **Meet immigrant needs:** We connect immigrants to helpful people and resources in the capital area to meet immediate and long-term needs, and we provide opportunities for them to become contributing members of our community.
- **Educate the broader community:** We advocate for immigrant needs and educate the broader community about diverse cultures and immigration issues.

*CANMP is a partner of the United Way of Kennebec Valley. To support our work, please send your tax-deductible contribution to:*
